Halifax was founded.

1749

Richard DUNTHORNE (United Kingdom)
calculates the approximate SECLAR
ACCELERATION of the Moon, based
on Halley's 1695 findings.

The moon is receding from the Earth
at a rate of 1.5 in (3.8 cm) a year.

2000 yrs ago the earth was spinning a little faster &
the moon was a little closer & orbiting a

little faster

1749-1750

Franciscan missionaries founded
Mission Espiritu Santo in 1749.
They converted ARAKARA Indians
to Catholicism and taught
them to work livestock.
Mission holdings of 40,000 head
of cattle and 1.0 million Acres
constituted one of the first large
ranches in Texas. The church was

rebuilt in the 1930s -

1749

Georges Louis Leclerc, comte de Buffon began the publication of his "Natural History" in 1749 and 36 volumes appeared before his death. They contain remarkable anticipations of later discoveries in bacteriology and evolution.

1749

Jewish Congregation
founded at Charleston
S.C.
